

How the Washington Pavilion's Visual Arts Center Programs Meet Education Standards

Visual Arts Standards

- 1. Students will understand and use visual arts as a means for creative self-expression and interpersonal communication**
- 2. Students will understand the media technique and processes used in the production of visual arts.**
- 3. Students will understand the relationship between visual arts and history, culture and society**
- 4. Students will demonstrate a capacity for critical and sensitive responses to various visual arts experiences.**
